EDUCATION

- **Pontificia Universidad Católica de Chile** Santiago, Chile
Master of Industrial Engineering; GPA: 3.6 *2025 – Expected Graduation: 2026*
- **Pontificia Universidad Católica de Chile** Santiago, Chile
Bachelor of Mechanical Engineering; GPA: 3.5 *2021 – 2024*

EXPERIENCE

- **Chile Nuclear** Santiago, CL
Founder and current Head of Finance *Jan 2024 - Present*
 - **Founding:** Identified a critical void in college curriculum concerning nuclear energy and established Chile Nuclear to provide educational resources, promote informed discussion, and bridge this knowledge gap for students and community.
 - **Activities & Impact:** Organized and moderated 5+ talks with nuclear energy experts, including from CCHEN (Chilean Nuclear Energy Commission); developed informational content via social media (e.g., 20+ Instagram posts); and actively participated in relevant fairs to share knowledge and network.
- **Ucéanos** Santiago, CL
Head of Finance and Logistics *Jan 2022 - Jul 2024*
 - **Financial Management & Strategic Partnerships:** Led fundraising and financial planning, securing several corporate sponsorships and teaming up with brands like Atakama, Lush, and Biobrush. Also coordinated food drives in multiple supermarkets around Santiago.
 - **Logistics & Community Cleanup Coordination:** Directed the logistics for a cleanup operation in Los Molles. Collaborated with local community members and municipal authorities to organize volunteer efforts, resource allocation and waste management, enhancing local environmental conditions.
- **Metropol** Santiago, CL
Software Developer *Jan 2024 - Mar 2024*
 - **Python Automation:** Developed several Python automation scripts, related to driver's medical licenses and salaries. Reduced working time of processes from hours to minutes, freeing employee time for more important tasks.
- **Czech Technical University** Prague, CZ
Erasmus Student & Spanish Teacher *Sep 2024 - Jan 2025*
 - **Spanish Teacher:** Taught completely free Spanish lessons to other Erasmus students, every Tuesday afternoon. With an average of 7+ students per class, mostly Romanian, Italian and Czech; the lessons utilized comprehensible input, showing the culture of Chile to enhance engagement and learning.
 - **Erasmus Student:** Took several master's courses in English, receiving an average grade of A. Participated in multiple events and activities, getting to know amazing people and different cultures.
- **Coaniquem** Santiago, CL
Warehouse Internship *Nov 2022 - Mar 2023*
 - **Charity Shop Work:** Provided support to warehouse and retail operations at Coaniquem's Manquehue charity shop. Responsibilities included receiving, sorting, and pricing donations while maintaining warehouse cleanliness.

PROJECTS

- **Personal Portfolio & Blog Website:** Developed a personal website to showcase projects, pictures, and share insights through a blog.
- **Elderly Care Workaway:** Delivered care and assistance to an individual with Alzheimer's during a 2-month Workaway experience in Rome, while developing proficiency in Italian through immersion.
- **Volunteer Leadership & Community Service:** Engaged in various impactful volunteer roles, including team leader in Operaciones Novatas. Contributed to community development (Trabajos de Invierno), child support (Operación Infancia), and community activities (Misiones). Consistently demonstrated teamwork and communication skills.

SKILLS

- **Languages:** Native Spanish, C1 English, B1 Italian
- **Technologies:** MS Office Suite, Fusion & Inventor
